Dennis Martin

M.Ed. · B.Ed. · OCT — Senior Learning Strategist | Leadership Development | Learning Systems & Analytics

Toronto, Ontario · dennismartin1988@gmail.com · linkedin.com/in/dujms · dennismartinto.github.io

PROFILE

Senior learning strategist with 12+ years across public sector, healthcare and community organizations. Enterprise LMS implementations (SuccessFactors, Dayforce), leadership development and assessment, AI-driven development planning, and Power BI talent analytics — anchored in equity-centred, inclusive design.

SELECTED IMPACT

- Built Career Development Hub from the ground up (SharePoint / Power Automate) — VP People & Culture commendation, 2025
- Led SuccessFactors LMS go-live (May 2023) and subsequent Dayforce Learning implementation; 2,800+ courses curated from talent data
- Created 3 Copilot Studio agents (HR, L&D insights, career coaching) and an AI development-planning workflow — AI Task Force member
- Delivered 40+ Power BI dashboards and 50+ leadership assessments informing talent review and succession
- Designed organization-wide LEADS leadership program (Circle of Care); led first-ever digital access rollout for frontline PSWs
